THE PRESIDENT'S MESSAGE

By Eric Hubbard

August 1998

FREE DRINKS and GOOD COMPANY!

That's the fare for our next meeting. Hope everyone remembered the Annual Club Picnic at Fairmont Park for this Thursday, the 27th. The Club is buying drinks and charcoal. Members are supposed to bring their own meat to grill, eating utensils, and a pot luck desert or salad.

I don't know about everyone else, but the heat and dry ground is sure playing havoc with my detecting. Although maybe I'm learning a few things because of it. Twice this month I've dug borderline "Bad" signals and come up with a mercury dime both times and 1 or 2 other coins with it. Once I even dug a signal that pinpointed way too big to be a coin, that I usually wouldn't dig, and it was 2 mercs.

I'm hearing stories of "new" tokens and quite a few 1800's coins. This next F.O.M. competition should be interesting. Besides the fact that as of this writing, the Club Hunt hasn't happened. Speaking of which I better go get ready to leave. Several people I know have already gotten a days head start on me.

See all of you Thursday,

Eric

SEPTEMBER HUNT

What a bunch of great finds that were entered in last months competition. We had a record 17 individuals entering. Keep it up everyone, it's really neat to see all of those great finds!

On September 19th we will be going to Piedmont, Wyoming for an outing (this is approximately 100 miles from Salt Lake City). The town of Piedmont was primarily set up to take advantage of the railroad being brought through the area in the 1860's. There are still some buildings and charcoal kilns there to make the site.

It is found by traveling the freeway east east from Evanston, Wyoming to mile marker #24. Take the Leroy Exit and go 7 miles south straight down a dirt road to the townsite.

This is on private property and we have been granted special permission on that weekend. Please make a special effort to fill all your dig holes and carry out your garbage.

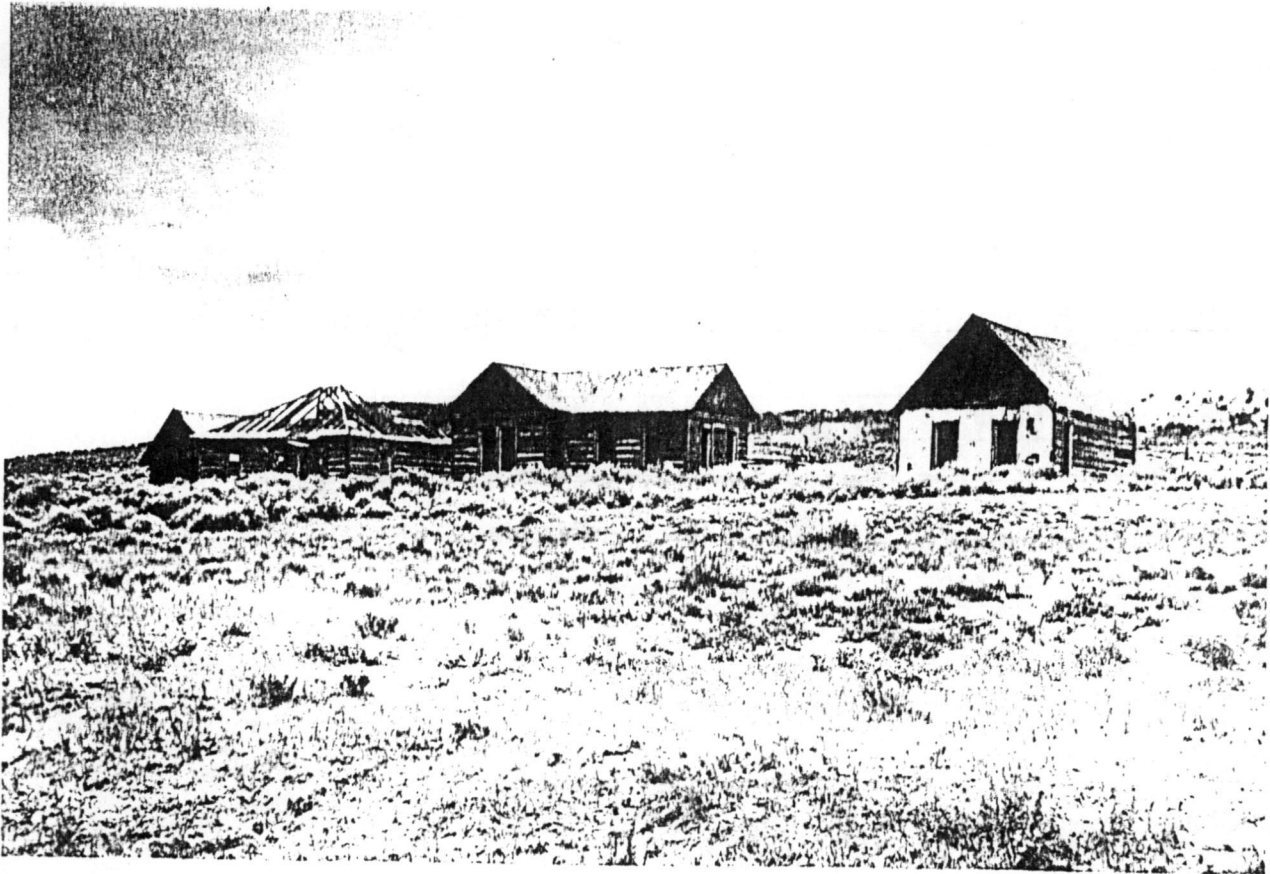

See you there --

Dave Kyte

NOTE: Opposite page shows some of the buildings that are still standing in Piedmont, Wyoming.
